## **The Little Mermaid – What an amazing production!!!!**

120 students from our school raised the roof Wednesday night at North Sydney Girls High School when they performed *The Little Mermaid* to a crowd of 600. We all knew that we had many talented students at our school but the performances this week had to be seen to be believed. Congratulations to all of the cast and crew of this great production. A special thank you to the Musical organising committee: Jemma Thomas, Amy Rogers, Andrea Watts, Nina Cook and Jemma White. Also, a big thank you to the parents who worked so hard to help with costumes & props – you all made the night the resounding success that it was. The memory will stay in our minds and hearts forever.

## Remembrance Day

The school acknowledged Remembrance Day with a minute of silence and the Ode to Remembrance read by Felix from 6CJ. We also had a group of Student Executive and House Captains accompany Mrs Lynam to the Ridge Street War Memorial to join in a Remembrance Service and lay a wreath. The SRC sold poppies and wristbands so that the school was able to contribute a little over \$800 to the RSL Appeal.

## Thank You Morning Tea Wednesday 18 November

Don't forget to send in your RSVP to our Thank You morning tea hosted for our fabulous parent and carer volunteers. A note did go home with your child on Monday this week. Please also see further details at page 5 of the newsletter.

## Class Placements for 2016

During next week, your child will be asked to write down the names of 7 children with whom they have a friendship. All attempts will then be made to ensure that every child is placed with one of the children on their list. It is important to note that it is not possible to ensure that each child is with their best friend.

As mentioned in recent newsletters, the placing of children into their new classes each year is a complex process. Classes at the DEM are not graded academically and each year we strive to ensure that we have well balanced classes taking into consideration the following points:

- Gender;
- Academic ability;
- Language needs;
- Medical needs; and
- Behavioural needs.

If you feel there are exceptional circumstances that need to be considered when allocating your child to a class for 2016, a referral form will need to be submitted to the School's Learning Support Team. This form will need to be completed by your child's current school or pre-school teacher and by you. Parent forms can be found on the school website under notes and forms (<http://www.nthsyddem-p.schools.nsw.edu.au/notes-and-forms>). Please note there are two parent forms. One is for a request to have your child separated from another student. The second form is for a request for your child to be placed with another child. Please be aware that these requests are only granted for exceptional circumstances.

**Please complete and return the form to the school office prior to Friday 20 November.**

The Learning Support Team will then review the information plus any information you supply with regard to how your child's learning may be impacted by being separated from (or placed with) any other student. We ask for feedback on any social or emotional issues as well.

## A new way of communicating – School Stream

The instruction sheet referred to in last week's Dem Newsletter about the School Stream mobile app will go home with students next week. The information will explain how to download the app to your phone so that you will have access to events, news, sport updates, newsletters, school travel information and much more. For those parents who do not wish to receive information in this manner our traditional methods of communication (DEM Newsletter, notes home, email and website) will still continue to be used.

## Talent Fest – please bring your music to the Office

Talent Fest Nominations have now closed.

Students please hand in your music to Cynthia or Lisa in the Office as soon as possible. Your music must be clearly labelled with your name and class. Envelopes will be available if needed.

The schedule for Talent Fest performances in Week 9 (first week of December) will be published in the Dem newsletter next week.

## Parent Online Payments (POP) – please check balance due

When using POP to make a payment, please itemise what you are paying for and also make sure that you pay the correct amount. Any money from overpayments will be applied to other outstanding amounts on your schedule of payments. **Please call the School Office on 9955 2822 from 8:30am to 3:15pm to check what amounts are actually still outstanding before paying online via POP.**

## School Student Transport Scheme & New School Opal

Many students with a current SSTS pass won't need to reapply as a new pass will be issued automatically. This will be either a School Opal card or a school travel pass if the student needs to travel outside the Opal network to get to school.

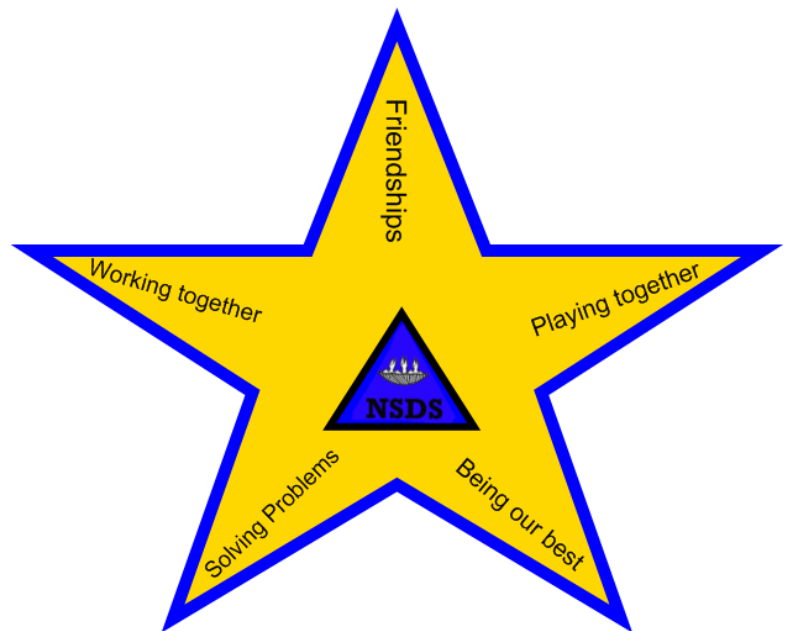

However, you will need to complete an application form if you are:

- applying for SSTS for the first time;
- enrolling in Kindergarten;
- progressing from Year 2 to Year 3;
- progressing from Year 6 to Year 7;
- changing name, school and/or address; and
- requesting a new additional pass as a result of a new shared parental responsibility situation.

For more information please go to: <http://www.transportnsw.info/school-students>  
<https://apps.transport.nsw.gov.au/ssts/#/>

# FABStar!

FABStar! is an initiative to recognise positive behaviours in the playground. A FABStar! slip was drawn from all the students who received FABStar! slips in recognition of their positive behaviours on the playground last week.

The K-2 FabStar!s for this week are Alice, Ingrid, Isla and Nina from Year 2 who found some broken glass in the garden and spent the rest of their lunch time checking the area for more glass to ensure everyone was safe. Thank you girls for caring so much!

The 3-6 FabStar! for this week is Jarryd from Year 3 who handed in both lost cards and money to the teacher on duty. Congratulations Jarryd for being so honest.
