**Friday 11 December 2015 - Week 10 Term 4**

## **Farewell Year 6**

Last night Year 6 attended their Farewell Dinner at North Sydney Leagues Club. We all enjoyed a wonderful night and it was inspiring to see the children embrace the moment and revel in each other's company. Thank you to Mrs Lynam, Mrs Sundic, Mr Keeble, Mr Jacobs, Mrs Walker and Mrs Cross for ensuring that this night was one for the children to remember.

## **Tree of Joy**

A Tree of Joy has been erected in our foyer. The tree is organised by Rotary Chatswood to collect gifts for those children who may not be receiving a gift this year. If you would like to participate all you have to do is take a card from the tree. This card will inform you of the gender and age of the child you are buying for. Then simply purchase and wrap the gift and place it under the tree. Gifts will be collected on Wednesday December 16 2015. Thank you for your kindness and generosity.

## **Talent Fest**

Well done to the many students who have participated in this year's Talent Fest. Talent Fest is a student directed event where our students show their peers and teachers just how truly talented they are. The final performances occurred yesterday in a special show case event and were entertaining to say the least. Thank you to everyone who participated and thank you to the many parents who attended and cheered our performers on. It was a great way to end the year.

## **School books and reports**

Many of you will have already received your child's school books for 2015. We know that some classes have needed to hold onto their workbooks in order to complete their final tasks and projects. These students' work books will be sent home on Monday 14 December. We encourage you to sit down with your children and get them to share their 2015 progress and achievements. Our school's Three Year Plan has a strategic direction related to 'Empowering Learners' and focuses on improving our structures of feedback and goal setting to increase student ownership and progress with learning. We are very proud of our teachers' and students' efforts in 2015 as we establish new structures associated with these changes. School reports will also go home on Monday 14 December.

## **School Stream – Have you signed up yet?**

School Stream is a phone App that will enable you to access school events, news items, sport updates, newsletters, school travel information and much more. We currently have 351 parents who have downloaded the App. Thank you!!!!!! If you have misplaced the downloading instructions you will find another copy on pages 3 and 4 of this newsletter.

Please note that this is an optional and alternative method for parents to receive information. For those parents who do not wish to receive information in this manner at all, our traditional methods of communication (*DEM Newsletter, notes home, email and website*) will still continue to be used.

***The final DEM Newsletter will come out next Wednesday***

## Please remember to take a tag from the Tree of Joy

There are still lots of tags available on the Tree of Joy in the foyer outside the school office. Please consider taking a tag and getting a gift for a child in need. The gifts will be collected on Wednesday 16 December 2015.

## Library News

**Thank you parents and carers** for helping your child to return library books. Please keep them coming. Please note there will be no lending service until the beginning of next year.

If your child has not received his/her Premier's Reading Challenge certificate, please contact Mrs Bennett.

## KIDS KARATE @ MOSMAN MARTIAL ARTS ACADEMY

Your child will learn **Discipline**, will develop **Coordination** and will have **Fun**.

**Karate classes** are great for Kids of any age!

Owned by the mum of a year 4 student, Mosman Martial Arts Academy would love to meet you at our Dojo! Come join us for a 1-class free trial and see why Karate is all the rage right now. There are already more than 200 kids from the Lower North Shore attending and lots of them have progressed past the first gradings to higher grades such as Purple and Brown!

We also boast a light weight silver medal at the Oceania Junior Sumo Championships won by Brandon Jin with extensive media coverage in the Mosman Daily and the Daily Telegraph. ☺

We are affiliated, certified and recognised by Martial Arts Australia and International Martial Arts some of the highest qualifications in Australia and worldwide. Most of them are Martial Arts World, National and State Champions! All our instructors have Working with Children checks and First Aid certification.

**Mosman Martial Arts Academy Youth Program** offers an age-specific program, starting at age 3 and continuing all the way up to ages 15. This is an award-winning kids martial arts program and has already proved very popular and it's great exercise that kids actually enjoy. As an age-specific program, classes are divided into age groups that meet each child's developmental, physical, social and emotional needs including the **stranger-danger awareness** and safety tips.

- Children ages 3, 4 and 5 years old are taught fundamental skills that can be used throughout their life such as listening, focus, structure, discipline, balance, strength and coordination.
- At ages 6 and 7, youth then further develop their skill set to include increased focus, self-awareness, leadership skills, confidence, and self-defence.
- When students reach 8 - 10 years of age, students will begin increasing their self-defence skills,

physical fitness capabilities, and confidence, making them able to stand up for themselves and others against potential bullies throughout their school years.

- Finally students from 11 - 15 years of age are being moulded into the leaders of communities that they will become, by engaging in a full mixed martial arts curriculum.

We constantly receive positive feedback from delighted parents, citing the wide range of improvements they have noticed in their child since picking up karate such as self-confidence, higher grades and better school reports, better behaviour, increased concentration, improved fitness, coordination and flexibility.

**The best thing about it all? Kids love their karate!**
