## End of Year Festival – What a night!!

Our new venue of North Sydney Stadium was the perfect setting for a fantastic night of celebration and community engagement. Such an amazing night of course doesn't occur without the hard work of many people. Thank you to all of the parents and teachers who volunteered either on, before or after the event. I would particularly like to thank the following people who went above and beyond the norm;

- Laurens Libeton, Mark Van Kerkwijk, Vanessa Horler, Carmen Schnegg and Carol Kostamo (*P&C*)
- Ashley Grimmond, Laetitia Cross, Sophie Honeybourne, Diane Lynam, Lisa Tonzing, Bronwen Wadley, Ching Lo and Alice Bennett (*School staff*)
- Clayton (*Sports in Schools Australia*) for donating 100% of their time and resources on the night. The kids loved the free play area!

## Tree of Joy

A Tree of Joy has been erected in our foyer. The tree is organised by Rotary Chatswood to collect gifts for those children who will not be receiving a gift this year. All you have to do is take a card from the tree, purchase a gift, wrap and place under the tree. Gifts will be collected on Wednesday November 16 2015. Thank you for your kindness and generosity.

## June Maker Interviews

Next week Dr June Maker, Dr Bob Zimmerman and Mr Randy Pease will be returning to our school to continue to work with students and staff on ***Real Engagement in Active Problem Solving (REAPS)***. As part of this important learning and research, Dr Maker and her colleagues would welcome the opportunity to interview parents about their thoughts on active problem solving at North Sydney Dem. If you are available for 30 minutes next week please go click on the Google Doc link and choose a suitable day and time.

Most of them are Martial Arts World, National and State Champions! All our instructors have Working with Children checks and First Aid certification.

**Mosman Martial Arts Academy Youth Program** offers an age-specific program, starting at age 3 and continuing all the way up to ages 15. This is an award-winning kids martial arts program and has already proved very popular and it's great exercise that kids actually enjoy. As an age-specific program, classes are divided into age groups that meet each child's developmental, physical, social and emotional needs including the **stranger-danger awareness** and safety tips.

- Children ages 3, 4 and 5 years old are taught fundamental skills that can be used throughout their life such as listening, focus, structure, discipline, balance, strength and coordination.
- At ages 6 and 7, youth then further develop their skill set to include increased focus, self-awareness, leadership skills, confidence, and self-defence.
- When students reach 8 - 10 years of age, students will begin increasing their self-defence skills,

physical fitness capabilities, and confidence, making them able to stand up for themselves and others against potential bullies throughout their school years.

- Finally students from 11 - 15 years of age are being moulded into the leaders of communities that they will become, by engaging in a full mixed martial arts curriculum.

We constantly receive positive feedback from delighted parents, citing the wide range of improvements they have noticed in their child since picking up karate such as self-confidence, higher grades and better school reports, better behaviour, increased concentration, improved fitness, coordination and flexibility.

**The best thing about it all? Kids love their karate!**
