Friday 11 September 2015 - Week 9 Term 3

Dear Parents/ Carers,

Tell Them From Me Survey

I am asking for your support in assisting the school in providing your child with the best possible education. To help us with this objective can you please take 15 minutes to complete the **Partners in Learning - Parent Survey**. This survey is part of the **Tell Them From Me** suite of surveys on student engagement and is completely anonymous. The survey will be used each year and will provide us with data about trends within schools and better inform school priorities. The survey is held once a year in Term 3 and is run at the same time as the teacher survey and the student survey. You can access the survey now, until 16 October 2015.

Follow the link below on your computer or tablet:

K-2 Disco

It was a fabulous night last Friday when students from Kindergarten to Year 2 put on their dancing shoes and showed us how they could dance up a storm at the K-2 Disco. The hall was decorated with balloons and disco balls thanks to Vanessa Horler and her trusty helpers and the children loved the opportunity to enjoy what was, for some of them, their very first dance. Thank you to Adam Olesen, Martin Bregozzo, Jon Webster, Rachel Bradbury, Jane Hodgson, Bridget Poolman, Birgit VanWyk, Steph Bradstock, Marie Lovric, Alicia Smith, Paul Miskin, Laura Shepherd, Alisa Thompson, Carmen Schnegg, Carol Kostamo, Kate Sharma, Zareena Banu, Justin Pascoe, Ted Re, James Horler, Graeme Ferguson, Karen & Kelly Stuart in the Tuckshop, Ashley Grimmond on BBQ as well as attending teachers for making this special night possible.

Band performance

Our Junior Band showed us just how far they have progressed this year when they took their regular Friday morning rehearsal into the playground. This special rehearsal led by Mr Sandham was organised to provide the junior students with their first taste of performing in front of an audience. The band played beautifully entertaining our families as they arrived at school. Well done boys and girls! We look forward to your next performance at the Junior Band concert in Term 4.

Thank You! Thank You! Thank You!

I would like to make a special mention of Mrs Carmen Schnegg. Carmen is a parent of Nicolas in Year 3 and is an active member of our P&C. This week she has been an amazing support to the school. Carmen worked tirelessly at the K-2 Disco last Friday, she then stayed back at school until 8:30pm on Wednesday helping with the set-up and pack up of the Interrelate session and then stayed back again on Thursday night supporting our Kindergarten team during the Kindergarten Information session until 8:30pm. Thank you Carmen - your efforts are very much appreciated.

Volunteers – Where are you?

In last week's newsletter I mentioned that we were having an exciting makeover of the Year 6 corridor. This project is being led by a small team of Year 6 students and Lend lease has enthusiastically come to the party and agreed to painting the corridor for us next week. All we need to do is prepare the corridor in advance. At the moment it appears to be just me, one parent and some Year 6 girls taking part in next Wednesday afternoon/evening's working bee! If you have children in Year 6 or Year 5 and you would like to be a part of giving them a special place to see out their primary years please email me at myra.janes@det.nsw.edu.au

Key points to remember around schools

1 In and out of the car

To comply with national child restraint laws, your child should be restrained in the car as follows:

0 – 6 months

Approved rearward-facing child car seat

6 months – 4 years

Approved rearward-facing or forward-facing child car seat

4 – 7+ years

Approved forward-facing child car seat or booster seat.

Make a rule that every child passenger must be securely buckled into a seatbelt or child car seat before you start the car.

A sleeping child must remain firmly buckled up while the car is in motion.

Reward your child with lots of praise for good road safety behaviour.

Assist your young child to buckle up – always check the buckle and make sure the belt is not twisted.

Ensure your children always get in and out of the car through the 'safety door'. This is the rear kerb side door of the car.

Never allow children to get out of the car on the traffic side.

When possible, children should remain in the car until an adult opens the 'safety door'. This helps ensure that children get out of the car safely.

Children aged between four and seven years cannot travel in the front seat of a vehicle with two or more rows, unless all other back seats are occupied by children younger than seven years in a child car seat.

A child that is properly secured in an approved child car seat is less likely to be killed or injured in a car crash than one who is not.

NEVER leave a child of any age in a vehicle without supervision. A small child may rapidly suffer from dehydration, heat exhaustion and consequent organ failure. Older children could play games that may lead to danger.

SCHOOL NEWS

SRC Fundraiser Tues 15 Sep: Dress-up as an object

Students can bring a gold coin donation on Tuesday 15 September and come to school dressed-up as an object!

Tuckshop News – No lunch orders Friday 18 Sept.

Reminder: Friday 18 September is the last day of Term 3 and students will not be able to order lunches from the Tuckshop that day.

Uniform Shop News – Summer Uniform in Term 4

Reminder: Term 4 sees the return of summer uniform for the Dem students e.g. summer dresses rather than the winter tunic for girls.

Please purchase your summer uniform items before the end of Term 3 to avoid long queues at the beginning of Term 4.

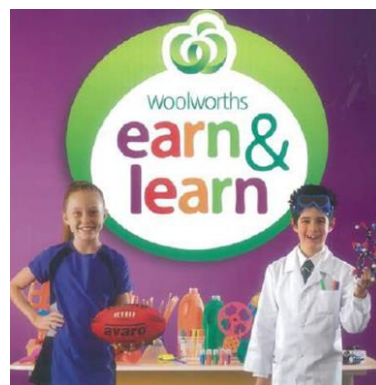

The Uniform Shop has all uniform items currently in stock.

Please remember to return any Earn & Learn stickers from Woolworths to the School Office

Many thanks to everyone who supported the Dem by collecting Woolworths Earn & Learn stickers during the program that finished on 8 September 2015.

We now need to collect all stickers and return completed Sticker Sheets so that we can redeem the stickers to get new educational equipment for the school.

This week please give to the office any loose stickers or sticker sheets that you have so that we can redeem as many as possible. Thanks again for your support.

P&C News: Commonwealth Bank School Banking

Cosmic Light Beam Torch Safety Recall

Concerns have been raised regarding the “Cosmic Light Beam Torch” reward item due to the inclusion of four button batteries that can be accessed by unscrewing the back of the torch. Whilst this reward has been independently tested and deemed to meet relevant product standards, the Commonwealth Bank have made the decision to proactively withdraw this item from the School Banking Rewards Program.

Parents/Guardians are requested to dispose of any “Cosmic Light Beam Torches” their child may have already received as part of the Rewards Program. Students who have previously received a “Cosmic Light Beam Torch” are welcome to redeem an alternative reward item.

FABStar!

FABStar! is an initiative to recognise positive behaviours in the playground. A FABStar! slip was drawn from all the students who received FABStar! slips in recognition of their positive behaviours on the playground last week.

The Years 3-6 Fabstar!s for this week are Camille and Kate from Year 3 who picked up rubbish and put it in the bin.

Last day of Term 3: FREE movie (Asterix & Obelix)

On the last day of this Term (Friday 18 September) we will have a free movie in the Hall, from about 17:00 to 18:30. We will probably run some cartoons or short movies leading up to it. Of course there will be a sausage sizzle as well.

K-2 Disco was a great success!

The Hall was transformed from a normal gathering place to a fancy disco, with balloons, disco balls, coloured lights and special effects on the big screen. It was a great success, with over 300 kids attending. The weather was really kind and the parents/carers that weren't on the dance floor had a chance to catch up, enjoy the sausage sizzle, ice cream or purchasing a few more glow sticks.

A special thank you to Vanessa Horler, the main organiser.

Vanessa would like to thank the following people for their help:

Parents: Adam Olesen, Martin Bregozzo, Jon Webster, Rachel Bradbury, Jane Hodgson, Bridget Poolman, Birgit VanWyk, Steph Bradstock, Marie Lovric, Alicia Smith, Paul Miskin, Laura Shepherd, Alisa Thompson, Carmen Schnegg, Carol Kostamo, Kate Sharma, Zareena Banu, Justin Pascoe, Ted Re and James Horler; and **from the School:** Graeme Ferguson, Karen & Kelly Stuart in the Tuckshop, Ashley Grimmond on BBQ, Myra Wearne as well as all of the teachers attending/dancing!

If there is one thing we learned: It's fun to stay at the Y.M.C.A

Comedy Night

This much anticipated event did not disappoint - it was a real comedy festival with 5 comedians delivering 2 hours of top notch show. The Hall looked great, the food was plentiful and delicious, the bar ran smoothly and there was even an impromptu disco at the end of the evening. Our thoughts are with Angus and Alice who were convinced to sit in the front row (enough said).

A special thanks to:

The hall decorators: Krissie, Alicia, Mark and Laurens

The bar staff: Jacqui, Nirmala, Brinda, Meena and Meera

The chef: Aaron

Remember: when you sit in the front row, make sure you sit next to your partner.

P&C NEWS CONTINUED

Interrelate

Interrelate sessions were held in the school library on Wednesday night for Years 3 to 6. The sessions were very well received by both parents and students. Special thanks to Interrelate host Ms McKell for an informative and fun evening. Thank you to Carmen Schnegg for all of her work organising these helpful sessions.

Next Term the P&C is hosting a Resilience workshop for parents (flyer below).

See you at the Asterix & Obelix movie in the Hall next Friday 18 September!

About the presenter ...

Kylie is based in South Sydney and travels throughout Sydney metropolitan and NSW delivering a variety of training programs and parent and community workshops.

Kylie is passionate about the resilience doughnut model and believes it is an invaluable and fresh tool for both work and family life.

Find out more about Kylie at our website below.

"Combining Strengths to Thrive"
www.theresiliencedoughnut.com.au

This workshop will introduce the strengths based model for building resilience, called the Resilience Doughnut.

This seminar will:

- examine the Resilience Doughnut as a model for developing resilience in young people
- examine how to help children talk about coping and peer relationships
- look at some practical ways that we can foster optimism in children
- consider how the language we use can have a powerful effect in helping children to see a way forward through their difficulties

YOUR POOL, YOUR SAY

Have your say on the redevelopment of North Sydney Olympic Pool

The 50m pool in the North Sydney Olympic Pool complex has reached the end of its life and requires significant upgrading. Council is taking this opportunity to redevelop the complex so that it can continue to meet the needs of current and future generations. Six design options for the pool have been prepared and we want to hear your views.

You can view the six design options on Council's website or visit the display panels at Council's Customer Service Centre, North Sydney Olympic Pool or the Crows Nest Centre.

1. Register for our interest group forums

Our consultants will provide in-depth information about the design options. Participants can have a detailed discussion and provide feedback.

Three forums focusing on specific areas relating to the complex will be held:

- Aquatics and swimming
Wednesday 26 August, 5.30pm-7.30pm
- Health, fitness and wellbeing
Friday 28 August, 5.30pm-7pm
- Family and children
Saturday 29 August, 1pm-3pm

All sessions will be held in the Ros Crichton Pavilion, 200 Miller Street, North Sydney.

Spaces are limited. Register via the website or call 9936 8100.

2. Attend a drop in information session

Meet with our specialist consultants and staff to discuss the design options, ask questions and complete the online survey. The two sessions will take place at the following times:

- Friday 28 August, 12pm-2pm, Ros Crichton Pavilion, 200 Miller Street, North Sydney
- Saturday 29 August, 9am-11.30am, North Sydney Olympic Pool.

No registration necessary.

3. Attend the public meeting

Thursday 3 September, 6.30pm-8.30pm, Hutley Hall, 200 Miller Street, North Sydney.

No registration necessary.

4. Complete the survey

You can access the online survey via Council's website or pick up a paper survey at Council's Customer Service Centre, North Sydney Olympic Pool, Stanton Library or the Coal Loader Centre for Sustainability.

5. Write a submission

You can also make a written submission. Write to the General Manager, North Sydney Council, PO Box 12, North Sydney NSW 2059 or email council@northsydney.nsw.gov.au.
