

The Dem Newsletter

Week 4 - Friday 20 May 2016

Ribbon Assembly – Monday 23 May

A correction from last week's newsletter regarding ribbon recipients: students who achieved a top-3 placing in swimming events at the swimming carnival and students who achieved a top-10 placing in age races at the cross country will receive a ribbon at Monday's assembly. Relevant parents have been notified and are welcome to attend from 2:10pm in the Hall.

School Photos – Tuesday 24 May

Students should be dressed in the winter uniform for photos on Tuesday. Details about the uniform can be found on the school website and at the Uniform Shop, which will be open from 8:30 – 9:30am on Tuesday morning if you need any last minute uniform items. In the event of rain, photos will be taken on Tuesday 31 May.

Zone Cross Country – Wednesday 25 May

We have 40 students participating in the Zone Cross Country Carnival next week being held at Artarmon Reserve on **Wednesday 25 May**. We wish everyone good luck!

National Simultaneous Storytime – Wednesday 25 May

As part of National Simultaneous Storytime which is held annually in May and promotes the value of reading, literacy and the fun of books, students in K-2 will have the pleasure of listening to Mr Grimmond read *'I Got this Hat'* by Jol & Kate Temple. In keeping with the theme, students can wear a hat of choice to school (no masks please).

Infectious Illness

Please be aware that some children and adults in our school community are currently unwell with serious illnesses. It is important that during their recovery period we limit their exposure to infectious illnesses, such as chicken pox, measles, whooping cough and mumps. If your son or daughter is suspected of having one of these illnesses it is very important that he/she doesn't attend school. Information on infectious conditions can be found on national health websites e.g. www.health.gov.au

Assessment Week

Assessment Week has been a successful addition to the Term 2 program. Teachers will use their findings to continue to establish a positive balance between learning and assessment. There will be another assessment round in Term 4.

Grade Newsletters

Apologies for the delay in sending out this Term's grade newsletters. They are now uploaded to the school website and school stream for your information. Grade newsletters provide an overview of student learning throughout the term. Here is a link to the page on the website: <http://www.nthsyddem-p.schools.nsw.edu.au/years/grade-notices-and-newsletters> School stream users will see the information as a new page under each grade category.

Leading the Way in Early Literacy

120 trainee teachers from the University of Sydney have visited the Dem over the last four Friday mornings to attend demonstration lessons conducted by teachers across K-2. Thank you to our dedicated teaching staff who welcomed the trainees into their classrooms. The students also enjoyed the interaction and have participated in one-on-one activities.

New School Finance System

North Sydney Demonstration School will transition to the new NSW Public schools finance system and a new bank account on 5 September 2016. This means that there will be changes to the way parent or carer payments are made after this date. Further details about changes will be sent out early in Term 3 with the Schedule of Payments.

FABStar! is an initiative to recognise positive behaviours in the playground. A FABStar! slip was drawn from all the students who received FABStar! slips in recognition of their positive behaviours on the playground last week.

The K-2 Fabstar!s this week are Pia, Violet & Reya from Year 2. These kind children helped a Kindy student who was upset to feel better and play a new game.

The 3-6 Fabstar!s this week are Nic in Year 5 and Zoe in Year 4 who supported other students that were injured. Thanks so much for being excellent Dem citizens!

LOOK LIKE A PROFESSIONAL PLAYING SPORT

Winter sports season is just around the corner. So there's no better time than now to protect your teeth with a customised mouthguard while you're playing your favourite sports; especially those that are high contact.

What is a mouthguard?

A mouthguard is an oral device worn around the teeth. Since standard

mouthguards can be uncomfortable and rarely fit an individual's mouth, the best type is a custom fitted mouthguard that is tailor fit to suit around your teeth.

Why are they so important?

Mouthguards aim to increase prevention and decrease the effects of injury to a person's teeth and oral cavity. So whether you're going to occupy the field during rugby season this year, or you're a gymnast, it is strongly recommended that you consider wearing a customised mouthguard. Speak to our dentists for more information about custom fit mouthguards.
