Year 6 Fun Fair

The Year 6 fair was a wonderful experience especially for Year 6. Our stalls raised close to \$4,000 and we are very excited to donate a gift to the school using this money.

The stalls ranged from game shows to cosmetics. Well done to the Haunted House for raising a whopping \$530! Each stall was extremely well thought out and fun for students in various year groups.

Thank you to all the students who participated in the Year 6 fair and to our Year 6 teachers for your organisation and supervision. It was amazing.

Written by Nivriti, 6SO

Well done to all of Year 6 for their efforts and special thanks to the Year 6 teachers for working hard to make this event successful.

Special thanks to the teachers who volunteered to be dunked! The Dunking Machine (provided by Planet Entertainment) always provides much entertainment.

Kindergarten Orientation

Over the last two weeks we have welcomed almost 150 Kindergarten students to the school as part of Kindergarten Orientation for 2019. We are delighted with our new cohort of children and can't wait for them to start! The orientation program gave children an opportunity to get to know the school environment and some of the teachers and will hopefully ease any first day nerves. Thank you to Holly Kendall and the Kindergarten team for organising these events. We are looking forward to tomorrow's Kindergarten Playdate when parents and children will be able to mingle in a more casual environment.

Student Achievements

Congratulations to Evie who was awarded the ICAS Medal for Year 3 Science this week in a special presentation ceremony at UNSW. ICAS medals are awarded to the students with the highest mark in their subject. Evie was one of only three Year 3 students in NSW to have earned this accolade and we are very proud of her.

We would also like to acknowledge Ethan, Evie and Max from Year 3 who have been participating in a G.A.T.E.Ways Eureka workshop themed '*Solve It! Mysteries for Curious Minds*'. G.A.T.E.Ways advised that these students were very engaged and worked together with commitment and enthusiasm to create problem solving strategies to solve the compelling mysteries and challenges on the day. Well done Evie, Ethan and Max!

Dear Parents/Caregivers

On Monday 10 December the Dem will hold this year's Sports Presentation Assembly. This assembly is about the best and fairest in class sport, PSSA sports and other general sporting activities. The Dem also recognises a student as Sports Person of the Year for outstanding representative and external sporting achievements. This student is selected by the Sports Committee and Executive based on sporting achievements throughout the year.

In preparation for this event, class teachers and the coaches of our school's representative teams are now considering which students will be receiving whole school awards in individual and team sports as well as determining age champions from each of the school's carnivals based on results.

On a class level there is also an award given to two students from each class. These class sports awards are awarded on a number of criteria. Teachers will consider aspects such as sporting ability, sportsmanship, participation, enthusiasm and encouraging inclusivity.

At the Dem we take pride in listening and acknowledging all students' achievements both in and out of school. Sometimes we need help in identifying phenomenal sporting achievements outside of the school's domain. If your child has had success in a sporting field this year and has received either individual or team acclaim and representative honours, which may include Regional, State, National or International representation, we would like to hear about it.

Please complete the slip below and return to the school office by Monday 26 November. Alternatively, you may email either Mr David Hearnshaw (david.hearnshaw1@det.nsw.edu.au) or Mr Ashley Grimmond (Ashley.grimmond@det.nsw.edu.au) with your child's name, class along with a brief description of their achievements and representative honours. This will allow us to recognise their achievements in correlation with those through the School's and Educational Department's programs and pathways.

Thank you

Dear Sir/Madam,

RE: Public exhibition of the Stage 1 Public Domain Strategy 'Place Book'

North Sydney Council is working to create a more engaging and resilient CBD that offers a greater range of activities and unique public spaces for workers, residents and visitors. The preparation of a Public Domain Strategy (PDS) for the CBD forms part of this work. It will establish a vision for the centre's public domain, identify a suite of short to long term projects and put in place a business plan for delivery.

The PDS is being undertaken in two stages. Stage 1 has resulted in the development of a 'Place Book' and represents the 'ideas phase' that examines the potential of the North Sydney CBD public domain. It identifies the community's needs, ideas and aspirations for the centre, opportunities to better align existing policies, provides a framework for future public domain upgrades, identifies short-medium term projects that address known issues as well as visionary longer term, place-making projects.

Council is seeking community feedback regarding Stage 1 work. **The PDS Place Book will be on public exhibition from Monday 19 November 2018 to Friday 25 January 2019**, and may be viewed:

- at Council's Customer Service Centre, 200 Miller Street, North Sydney, from 9am to 5pm Monday to Friday;
- in the Stanton Library, 234 Miller Street, North Sydney, from 9am to 9pm Monday to Thursday, 9am to 6pm Friday, and 10am to 5pm Saturday and Sunday;
- on Council's website www.northsydney.nsw.gov.au (under "Have Your Say").

Submissions should be addressed to The General Manager, North Sydney Council, PO Box 12, North Sydney NSW 2059 or council@northsydney.nsw.gov.au, by **5pm Friday 25 January 2019**.

If you would like to discuss further, please contact Jennifer Lawley, Senior Strategic Planner - Urban Design on 9936 8100.

Yours faithfully,

SAFETY AROUND SCHOOLS

Term 4 2018

Driving safely near school buses

- By law you must slow down to 40km/h when bus lights flash.
- The 40km/h speed limit is for all traffic travelling in the same direction as the bus, whether the bus is stationary or moving.
- Lights flash on the front and back of a bus when the bus is picking up or setting down school children.
- Flashing bus lights alert other road users that young children may be crossing or about to cross the road.

Helping children on and off the bus safely

Children are most at risk in the minutes after getting off the bus. Here are some ways you can reduce this risk:

- Always supervise your child until they are at least 10 and hold their hand when walking to and from the bus stop or interchange and when crossing the road.
- When waiting for the bus, hold hands and wait as far back from the passing traffic as possible.
- Always meet your child at the bus stop. Never meet them on the opposite side of the road and call them across.
- Wait until the bus has gone, at least one step back from the edge of the road, then choose a safe place to cross the road. Remember to Stop! Look! Listen! Think!

- If you cannot meet your child, organise for another trusted adult to take your place.

Talk with your child and work out solutions if the following situations arise:

- If you are delayed and cannot meet them as usual.
- If they catch the wrong bus.
- If they get off the bus at the wrong bus stop.

Slow down to 40km/h when bus lights flash

TOWARDS ZERO

Buses are large, heavy vehicles and can't stop quickly. So, remember:
