Zone Track and Field Carnivals

Congratulations to **Sofia and Tilly** who have qualified to attend the Sydney North PSSA Athletics Carnival on Monday 17 September. Sofia came 1st in the 11year old girls 200m final, and Tilly came 1st in the senior girls 800m and 4th in the senior girls 200m final. Well done and good luck girls at the Regional Final!

All our Zone competitors performed well and we congratulate them on their efforts. If you would like further details about results for your child on the day, please email Mr Scott Mitchell, our Zone Carnival Coordinator, at

scott.mitchell23@det.nsw.edu

Thank you to Scott Mitchell and Kate Crilly for their hard work with organising student participation both before and on the day.

K-2 Disco

We hope everyone had a great night last Friday as they danced the afternoon and evening away. Thank you to the P&C Disco Committee headed up by Kristen Ring along with Lucy Sarto, Vanessa Horler and Meghan Willard and all the wonderful parent helpers for making this another successful event for our little people. Please see P&C News on page 12 for an extensive thank you list. We also recognise the efforts of Chris Keane and associates from Ray White Real Estate for setting up and manning the BBQ on the night.

Bee Swarm on Bay Road Playground

Yesterday afternoon the school was visited by a swarm of bees. A local bee keeper took the Queen Bee and a majority of the bees away however there were 10-15 persistent bees that have remained at school today leading to the closure of the Bay Road playground. The local beekeeper was confident that the remaining bees will have moved on by Monday.

P&C: Working Bee

The P&C's working bee will go ahead this Sunday as it is anticipated that our bee problem will have been resolved. The P&C will **bee** delighted to see many families come along to help. Everyone is welcome from 10:00am through to 2:00pm. Any time you can spare is appreciated. For more information please see page 11 of this newsletter.

SRC Fundraiser

Thank you to all who participated in today's Tracky Dack day fundraiser for TLC for Kids. The students decided to try and 'outweigh sickness' by collecting class donations that would exceed 3.7kg (the weight of a medical first aid bag).

The two winning classes were 2JW (for K-2) with a class weight of 3.5kgs and 4KC (for 3-6) with a class weight of 10.9kgs!

A final count of coins collected will be announced in next week's newsletter along with the prize for the two winning classes. Well done everyone.

EAL/D Parent Information Evening

Thank you to the parents who attended last night's EAL/D program information evening. We hope that the information you received was helpful. Thank you to Mrs O'Brien, Ms Manning and Mrs Bennett for presenting.

G&T Information Evening

Next Monday's information evening will start at 6.00pm in the staffroom located in McHatton Building. The information evening is for parents who have a child in Kindergarten 2018 or who are new to the school in 2018 and would like to find out more about the school's Gifted & Talented policy and provisions. Any questions about the G&T program can be directed to Holly Kendall via email at holly.kendall2@det.nsw.edu.au

Festival of the Arts – Wednesday 12 September

We are only days away from our annual Festival of the Arts showcase! If you haven't returned a participation note for your child to perform with their CAPA group, please bring it in on Monday. See page 6 for a copy. Students will meet early next week with their group's teacher to be given information of what time to meet, where to meet and what to wear on the night.

Tell Them From Me Parent Survey

The *Tell Them From Me* parent survey window is open till **Friday 26 October** and can be accessed using this link: <https://nsw.tellthemfromme.com/b38gn>.

Currently we have only had 7 responses to the survey since the survey window opened on 27 August.

This survey will help our school understand parents' and carers' perspectives on their child's experience at school and will only take 15 minutes of your time. The survey is completely confidential and while your participation is entirely voluntary, your responses are very much appreciated.

Seasons for Growth Program commencing in Term 4

If you are interested in the Seasons for Growth Program at the Dem starting next term, please refer to the information and application form on pages 7-8 of this newsletter. The program is aimed at children in Year 1 to 6 who may have experienced some significant change to their circumstances in the last 2 years and need support in coping. Please note that this program is not suitable for children in Kindergarten. Any further questions can be directed to Mrs Amanda Vaga at Amanda.coroneos@det.nsw.edu.au

Student Health and Wellbeing

I would like to remind parents & carers that children showing symptoms of an infectious disease should be kept at home until they are confirmed by a doctor to be non-contagious. Thank you to those parents who have quickly informed us of their child's illness. The school can be contacted at nthsyddem-p.school@det.nsw.edu.au. Please see pages 9-10 of this newsletter for a general information factsheet about when to keep your child at home due to illness. We appreciate your continued cooperation in keeping everyone safe and healthy.

New School Website

The Department of Education has been progressively rolling out a new generation website platform nationally during 2018. The migration process for North Sydney Dem has occurred recently and we have a new school website address which is <https://nthsyddem-p.schools.nsw.gov.au/>. Through the migration process some areas of the old website have not been effectively transferred. Please bear with us while these issues are ironed out. The Dem Newsletter can now be viewed on the new website. The events calendar information has not been updated as yet. Please continue to stay informed with school events via the newsletter, the School Stream app, School Bytes email updates and also our Facebook page.

Do you know someone starting school next year?

Enrolments are open for 2019 at North Sydney Demonstration School. Enrolling now will ensure that children are booked into the school's Orientation Program and that parents are aware of all dates for future information evenings and school tours. The next school tour will be held on **Tuesday 11 September at 9:15am**. There will be a further two dates in Term 4 should you be unable to attend this term.

SCHOOL NEWS

Junior Choir (Year 3&4)

Remember to drop off your child early for 8.20am rehearsal on Monday. Also this week we have our Junior Choir rehearsal at the Ryde Civic Centre on Tuesday 11 September. Please remember to drop off your child by 8.40am on Tuesday. Our bus departs at 9am. Sue Manning, Junior Choir coordinator

Statement of Account

Term 3 Statements of Account reminders were emailed to parents on Friday 10 August 2018. If you have recently made a payment, thank you for your payment and please ignore the reminder. When paying online (via POP) please check what is still outstanding by calling the Office on 9955 2822. Please keep a note of payments made so that you do not accidentally pay for items twice. Thank you.

School Travel

You can update student details (and apply for a new card) online at <https://apps.transport.nsw.gov.au/ssts/>.

If you have any questions or concerns about the school buses:

- 665W (morning) & 664W (afternoon) call Willoughby Depot: 9941 9215;
- 667W (afternoon) call North Sydney Depot: 9245 9261.

Volunteering at the Dem

Thank you to the wonderful volunteers at the Dem. As part of DoE child protection and security measures, please remember to sign in and out at the school office. The office will also need to have a completed 2018 Volunteer Statutory Declaration or current WWCC on file for you. Thank you for your help!

Late Arrivals and Early Departures

All students who arrive late and/or leave early must be signed in/out by parents at the front office where they will be given an attendance slip to take to the teachers.

Please check your voicemail for a message

If you have received a missed call from the school, please check your voicemail messages so the office will know where to best direct your call when you call back.

Spare clothes for school

Please make sure your child (particularly in K to 2) has a spare pair of underpants and a pair of shorts in a plastic bag in their school bag each day. The school office can lend outer clothes if necessary on a wash and return basis, but for hygiene reasons we cannot re-use underwear. If your child has to be given a brand new pair of underpants to wear and keep, a charge of \$2.00 to cover the cost, will be added to your account.

FABStar!

FABStar! is an initiative to recognise positive behaviours in the playground. A FABStar! slip was drawn from all the students who received FABstar! slips in recognition of their positive behaviour on the playground last week.

The K-2 Fabstar!s this week are Tyler and Marwan from Year 1. These thoughtful boys solved the problem of spilled food with no fuss. Congratulations boys on your problem solving skills!

Congratulations to all of our Creative Arts students who have worked extremely hard throughout the year to develop their skills in playing, singing, dancing and performing. It is now time to begin coordinating our showcase of the children's amazing talents.

In order to share the wonderful achievements of all of our performing arts groups we will be holding our annual *Festival of the Arts* on **Wednesday 12th September at 6.30pm in the Lady Hay Hall.**

Groups performing include:	Junior Band	K-2 Choir	Recorder group
	Intermediate Band	Junior Choir	Jazz Band
	Senior Band	Senior Choir	Strings Ensemble

If your child is in one of these groups please put the date in your diary. It is important that every student in each group attends the concert as all items are a team effort and rely on all ensemble members.

Information regarding performance attire as well as where and when to meet their group prior to the performance will be provided by each performance group leader.

We look forward to seeing you at the *Festival of the Arts 2018*. All of our groups are working on some wonderful performance pieces so it promises to be a fantastic concert.

21 August 2018

Dear Parents/Caregivers,

Changes and loss are issues that affect all of us at some stage in our lives. At North Sydney Demonstration School we recognise that when changes occur in families through death, separation, divorce or related circumstances, young people may benefit from learning how to manage these changes effectively.

We are therefore offering a very successful education program called *Seasons for Growth*. This program is designed to strengthen the social and emotional wellbeing of children and young people (aged 6-18 years) who have experienced significant change or loss in their lives. It provides a safe learning environment for children and young people where they can give voice to their experiences, understand and befriend their feelings, learn skills that help them adapt, develop friendships, and recognise 'I'm not the only one'. This program is facilitated in small groups and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss.

Seasons for Growth will commence in Term 4 and will be facilitated by staff members, who have received special training in the implementation of this program. The program is offered to children in Stages 1, 2 and 3, that is, Years 1, 2, 3, 4, 5 and 6 and will run for 10 weeks during class time for 50-60 minutes. **Please note that this program is not suitable for Kindergarten students.**

In order to attend this program it is important that participants have had time to deal with and process the change that has occurred in their life. **Therefore, it is not suitable for children who have undergone a significant loss or change within the last 6 months to attend the program.**

If you think your son or daughter would benefit from *Seasons for Growth*, we would encourage you to talk to him/her about this and their class teacher. Should he/she decide to participate please fill in the attached form and return it to the class teacher or school office by **Friday 14 September**.

North Sydney Demonstration School is pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who request to be involved.

Too sick for school?

Generally if your child feels unwell, keep them home from school and consult your doctor. This chart and the information it contains is not intended to take the place of a consultation with your doctor.

Bronchitis	Symptoms are coughing, a runny nose, sore throat and mild fever. The cough is often dry at first, becoming moist after a couple of days. There may be a slight wheeze and shortness of breath. A higher fever (typically above 39°C) may indicate pneumonia.	 ... until they are feeling better. Antibiotics may be needed.
Chickenpox (Varicella)	Slight fever, runny nose, and a rash that begins as raised pink spots that blister and scab.	 ... for 5 days from the onset of the rash and the blisters have dried.
Conjunctivitis	The eye feels 'scratchy', is red and may water. Lids may stick together on waking.	 ... while there is discharge from the eye unless a doctor has diagnosed a non-infectious cause.
Diarrhoea (no organism identified)	Two or more consecutive bowel motions that are looser and more frequent than normal and possibly stomach cramps.	 ... for at least 24 hours after diarrhoea stops.
Fever	A temperature of 38.5°C or more in older infants and children.	 ... until temperature is normal.
Gastroenteritis	A combination of frequent loose or watery stools (diarrhoea), vomiting, fever, stomach cramps, headaches.	 ... for at least 24 hours after diarrhoea and/or vomiting stops.
German measles (Rubella)	Often mild or no symptoms: mild fever, runny nose, swollen nodes, pink blotchy rash that lasts a short time.	 ... for at least 4 days after the rash appears.
Glandular Fever (Mononucleosis, EBV infection)	Symptoms include fever, headache, sore throat, tiredness, swollen nodes.	 ... unless they're feeling unwell.
Hand, Foot and Mouth Disease (HFMD)	Generally a mild illness caused by a virus, perhaps with a fever, blisters around the mouth, on the hands and feet, and perhaps the nappy area in babies.	 ... until all blisters have dried.
Hayfever (Allergic rhinitis) caused by allergy to pollen (from grasses, flowers and trees), dust mites, animal fur or hair, mould spores, cigarette smoke	Sneezing, a blocked or runny nose (rhinitis), itchy eyes, nose and throat, headaches.	 ... unless they feel unwell or are taking a medication which makes them sleepy.
Head lice or nits* (Pediculosis)	Itchy scalp, white specks stuck near the base of the hairs; lice may be found on the scalp.	 ... while continuing to treat head lice each night. Tell the school.

Hepatitis A	Often none in young children; sudden onset of fever, loss of appetite, nausea, vomiting, jaundice (yellowing of skin and eyes), dark urine, pale stools.	 ... for 2 weeks after first symptoms (or 1 week after onset of jaundice). Contact your doctor before returning to school.
Hepatitis B	Often no symptoms in young children. When they do occur, they can include fever, loss of appetite, nausea, vomiting, jaundice (yellowing of skin and eyes), dark urine.	<div>  ... if they have symptoms. Contact your doctor before returning to school.  ... if they have a chronic infection (not the first outbreak) and no symptoms. </div>
Impetigo (School sores)	Small red spots change into blisters that fill up with pus and become crusted; usually on the face, hands or scalp.	 ... until antibiotic treatment starts. Sores should be covered with watertight dressings.
Influenza	Sudden onset fever, runny nose, sore throat, cough, muscle aches and headaches.	 ... until well.
Measles	Fever, tiredness, runny nose, cough and sore red eyes for a few days followed by a red blotchy rash that starts on the face and spreads down the body and lasts 4 to 7 days.	 ... for at least 4 days after the rash appears.
Meningococcal Disease	Sudden onset of fever and a combination of headache, neck, stiffness, nausea, vomiting, drowsiness or rash.	Seek medical attention immediately. Patient will need hospital treatment. Close contacts receive antibiotics.
Molluscum Contagiosum	Multiple small lumps (2–5mm) on the skin that are smooth, firm and round, with dimples in the middle. In children, occur mostly on the face, trunk, upper arms and legs. Symptoms can last 6 months to 2 years.	
Mumps	Fever, swollen and tender glands around the jaw.	 ... for 9 days after onset of swelling.
Ringworm* (tinea corporis)	Small scaly patch on the skin surrounded by a pink ring.	 ... for 24 hours after fungal treatment has begun.
Runny nose or common cold		 ... unless there are other symptoms such as fever, sore throat, cough, rash or headache. Check with school.
Scabies*	Itchy skin, worse at night. Worse around wrists, armpits, buttocks, groin and between fingers and toes.	 ... until 24 hours after treatment has begun.
Shigella	Diarrhoea (which may contain blood, mucus and pus), fever, stomach cramps, nausea and vomiting.	 ... until there has not been a loose bowel motion for 24 hours. Antibiotics may be needed.
Slapped Cheek Syndrome (Parvovirus B19 infection, fifth disease, erythema infectiosum)	Mild fever, red cheeks, itchy lace-like rash, and possibly cough, sore throat or runny nose.	 ... as it is most infectious before the rash appears.
Whooping Cough (Pertussis)	Starts with a running nose, followed by persistent cough that comes in bouts. Bouts maybe followed by vomiting and a whooping sound as the child gasps for air.	 ... until the first 5 days of an antibiotic course has been completed. Unimmunised siblings may need to stay home too until treated with an antibiotic.
Worms (Threadworms, pinworms)	The main sign of threadworms is an itchy bottom. Sometimes children feel 'out of sorts' and do not want to eat much. They may also have trouble sleeping, due to itching at night.	 ... and tell the school as other parents will need to know to check their kids.

***It is important that the rest of the family is checked for head lice, scabies and ringworm**

PLEASE HELP US TO GET YOUR SCHOOL LOOKING GOOD!

Please help us keep our school grounds looking green for our kids. We would appreciate ANY help your family can provide at the DEM's next Working Bee.

Our Working Bees are a wonderful way to get the *whole family* involved in the school community, and looking after the school grounds. Make new friends too!

The kids will also have lots of fun getting their hands dirty digging new homes for the *100 native plants* North Sydney Council has kindly donated for this Working Bee.

We have gardening gloves and tools for everyone. We'll be:

- Planting some new trees and shrubs
- Pulling out dead plants and weeding the areas along Bay Road and McHatton Street; and the gardens around the Haven;
- Cleaning the drains (not nearly as bad as it sounds - mainly leaves) – there might be some treasure for the kids to find!

We will organise a lovely lunch and yummy treats for all who come to help.

Date: Sunday 9 September 2018

Time: Anytime you can spare

From 10.00am to 2:00pm.

If you can only make it for an hour, that's great, absolutely any time you can spare would be really appreciated.

THANK YOU for another awesome K to 2 Disco. As always, we couldn't have done it without you. Every bit of help, from setting up, sizzling a sausage, baking an item for the cake stall, buying a ticket, coming to the event, helping to set up, pack down and tidy up... EVERY PIECE OF HELP ADDS UP TO THE WHOLE.

Most importantly, we do it for our children, and they had a fantastic time. We look forward to seeing you at our other social and fundraising events throughout the year. Thank you in particular to:

See: <http://www.thedempc.com.au/tuck-shop/> for more information.

Message from Munch Monitor:

Parents ordering their children's lunches on Fridays between the hours 7.30am and 9.15am have experienced some issues with the Munch Monitor system. The Munch Monitor IT team are making improvements to the system. Some further key changes have been scheduled for the next School Holiday period to ensure minimal disruption.

Parents: for the next few weeks please place Friday orders as early in the week as possible, we feel this will help in not overloading the system on Fridays between the hours of 7.30am and 9.15am.

In closing, we really appreciate your patience and support through this period. We can assure you that Munch Monitor is committed to fixing the current issue.

For kids new to cricket, with participants building skills through fun, game based activities on Saturday mornings, same venue each week. Played in small groups – everyone gets a go! Age range is 4-8 years. We accept children who are going to kindergarten (school) in 2019. All equipment supplied.

Master Blaster programme (formerly T20 Blast) – commences 20 October

This is a super fun, social, safe cricket programme for boys and girls aged 7 as at 31/8/18. Involves fun, shorter games, at the same venue each week, on Saturday mornings. All equipment supplied.

'Girls only' cricket

Girls cricket continues to be a growth area for our club. **This year we welcome former Australian test player Michelle Goszko as head coach for our girls cricket programme.**

We offer competition 'whites' cricket for girls aged 8-16 years – 'girls only' age groups U11, U13, U15 and U17 (first game 20/10/18), as well as 'girls only' Master Blaster (commences Thursday 25/10/18, 5.30pm at Naremburn Park).

Join us on Friday afternoons for Jaffa

Jaffa is a Friday afternoon group for kids in Years 3-6. We meet from 3pm-4:45pm during weeks 1-9 of each school term. We have afternoon snacks, play awesome games, and learn about Jesus from the Bible. About 25 kids and 7 leaders come each week.

To ensure we offer the best possible care at JAFFA all our volunteers are trained appropriately and adhere to the Safe Ministry requirements of the Anglican Diocese.

Getting here

Kids meet Jaffa leaders straight after school to walk over to church together
NSDS: McHatton St gate
Shore: Edward St Prep School gate

Where we meet

Jaffa meets at St Thomas' Anglican Church in the Memorial Hall on McLaren St
