

The Dem Newsletter

Week 6 – Friday 30 August 2019

Annie Musical - We need your help!

Last week we provided a list of props required for the Musical. This week we are asking for your help with costume items as well. Please see the costume and props lists at the end of this newsletter. The musical team will be grateful for any of these items that you may be able to **LOAN or DONATE** to ensure we can provide a dazzling performance in November!

Please clearly label the item with either **DONATE** or **LOAN (with YOUR NAME & PHONE NUMBER)** and bring to the office. All loaned items will be returned by the end of November 2019 (after the final performance on 20 November 2019). Thank you for your help!!

Working Bees

We are excited to have a number of working bees coming up, over 3 consecutive days. All events were arranged at different times and it is purely coincidental that they are one after the other!

On **Friday 13 September** the Dem will be hosting around 15 employees from Lend Lease who participate in an annual local community program. These employees will be helping around the school with a number of activities such providing all-purpose weather treatment of seats and garden beds, assisting with building of musical props and helping out in the library. The Dem very much appreciates this community initiative and the value their efforts adds to our school. Should you have any queries in regards to this event, please email Ashley Grimmond (Ashley.grimmond@det.nsw.edu.au). On **Saturday 14 September** we will kick off the first *Annie* musical working bee focusing on cutting and sewing for the many costumes required. If you can assist by following some simple patterns or making simple alterations we would love to hear from you. Any sewing machines that you can bring in on the day would also be appreciated. Please email Myra Wearne (myra.janes@det.nsw.edu.au) and write **MUSICAL** as the subject line of your email. We will also continue working on props construction, so if you have the skills to assist in this area, please come along.

On **Sunday 15 September**, the P&C will be holding their Term 3 gardening working bee. All parent and child helpers are welcome to come along and assist with tidying up garden beds, clean up leaf litter from drains and other general gardening activities. Lunch will be provided on the day. Please contact Lucy Sarto via the P&C website <http://www.thedempc.com.au> for more information.

P&C: Spell-a-thon

Word lists for this term's Spell-a-thon were sent home this week. Students have plenty of time to practice their words and be ready for the Spell-a-thon test on **Tuesday 17 September** during class time. Papers will be marked on Friday 20 September at 9am. If you would like to help the P&C with marking these tests please email Myra Wearne at myra.janes@det.nsw.edu.au.

It is important to note that this year the carnivals are being held at ES Marks at Moore Park and students will travel by bus together as a team to and from the events. The team from the Dem is 80 strong and traveling as a group is great for team spirit! **The Zone Field will be held on Monday 9 September and the Zone Track on Tuesday 10 September.** Parents are always welcome to attend.

K-2 Disco – Next Week!

We are all excited for next week's K-2 Disco! Make sure you have purchased your ticket online through Trybooking, using this link: <https://www.trybooking.com/BENQT>

Festival of the Arts

The Festival of the Arts is also only a couple of weeks away on **Wednesday 11 September!** We are excited to see all our students perform and show us what they have been so diligently rehearsing throughout the year. To ensure the event's success, our Creative Arts team will need to know if your child is able to attend as an integral part of their group(s). An attendance note was sent home last week and **is due for return on Monday**. Please see page 7 of this newsletter for a copy.

Kindy and Year 1 Incursion

Next week Kindergarten and Year 1 will be participating in an incursion aimed at tying laces - an important life skill which will create independence and continue to develop their fine motor skills. Throughout the year, Kindergarten and Year 1 have already been developing their hand strength and fine motor skills through a variety of craft activities. This enrichment activity will further develop the students' hand-eye coordination and dexterity.

Australian School Band and Orchestra Festival (ASBOF)

Congratulations to our Senior Band who performed last Sunday as part of the ASBOF program. The band played tremendously and received a Silver Award for their efforts. Well done to all and to the extra rehearsals that have taken place over recent weeks. Ms Crilly presented Senior Band with their award at this week's 3-6 assembly.

In recent years the ASBOF has become a combination of the NSW School Band Festival and the Australian School Orchestra Festival, playing in to new venues – at the Concourse in Chatswood and Futter Hall at the King's School in Parramatta. The program runs for eight weeks showcasing 340 concert bands, brass bands, big bands, string ensembles and orchestras.

Thanks to the Directions in Music team and Ms Kate Crilly for all your preparation and hard work to ensure the DEM's senior band were represented at this annual event.

2019 International Competitions and Assessments for Schools (ICAS)

The first of the ICAS tests will take place next week:

- **Tuesday 3 September for Digital Technology**
- **Thursday 5 September for Science**

If your child is registered for either or both of these tests, a notification note was sent home this week. All tests will be held after school at the Dem. Registered students are supervised on the playground from 3:00pm until 3:30pm and in classrooms until 4:45pm. If your child has previously registered to sit these ICAS tests please collect them from the Tuckshop area at 4:45pm on the above dates. Only students who applied by 29 March 2019 can sit the ICAS tests at North Sydney Demonstration School. If you have any queries regarding the upcoming ICAS tests, please email Mr Kym Watterson, K-2 Deputy Principal and ICAS Coordinator (kym.watterson@det.nsw.edu.au).

Upcoming ICAS Test dates are:

- Tuesday 10 September (Writing)
- Tuesday 17 September (English)
- Thursday 12 September (Spelling)
- Thursday 19 September (Maths)

Road Safety Reminders

We ask that the Dem community stays aware of general road safety in school zones. The safety of our children is paramount when they are being dropped-off and picked-up from school.

North Sydney Council's road safety message highlights the dangers of performing U-turns in school zones or narrow streets, such as McHatton Street.

The penalty for performing an illegal U-turn in or around school zones starts at \$344 and three demerit points.

Please take care around our streets and school. More road safety rules can be found on page 12 of this newsletter.

LIBRARY NEWS

Oliver Phommavanh, our Book Week speaker came on Tuesday and entertained Year 3 - 6 students with his stories and antics. The students were enthralled and very receptive to all his tips of how to use the familiar ideas and people around you and turn them into stories. He introduced them to a range of his books as well as showing everyone the toys he has used to enliven his writing. Oliver is also a Room to Read ambassador and was able to pass on his personal thanks for the money we raised. Book Week has been a great success at the Dem.

The NSW Premier's Reading Challenge 2019 closes on Friday 30 August 2019 at 11:59pm. Congratulations to all of the students who have taken part. All of your double record sheets should have been given to the library by this time as well.

FABStar!

FABStar! is an initiative to recognise positive behaviours in the playground. A FABStar! slip was drawn from all the students who received FABstar! slips in recognition of their positive behaviour on the playground last week.

This week's K-2 Fabstar! is Harrison in Year 1! He was spotted by a teacher being kind, responsible and safe on the playground! Keep it up, Harrison!

This week's 3-6 FabStar!s are Hazel, Isla and Ellana in Year 6. These girls took the initiative to sort out all the lost items from the Pacific Lost Property.

Well done girls for being self-starters and helping the school community.

BAND NEWS

Band Festival

On Sunday the senior band went to a competition in the Kings School. We played Nottingham Sketches, Just Dance and Rum Bah. It was a very different performing in front of a bigger audience and judges. I'm sure everyone was very nervous, but in the end we played great. Thank you to Mr Molloy and Mr Elderfield for conducting us and making sure we were ready for the performance. Also I would like to thank Mr West for preparing us and giving us important feedback, and our parents for giving up their Sunday morning to get us to the competition. It was really fun and a great experience for everyone.

SAFETY AROUND SCHOOLS

Term 3 2019

Keep Children Safe – Do the Right Thing!

Important safety rules to remember in school zones:

U-TURNS/THREE-POINT TURNS

These can be dangerous and difficult to manoeuvre and should be avoided.

DRIVEWAYS AND FOOTPATHS

It is illegal to park on or across driveways and footpaths.

DOUBLE PARKING

Blocks visibility and forces other cars to go around you.

SPEEDING

A 40km/h speed limit applies in school zones.

NO PARKING ZONES

You can stop here for a maximum of 2 minutes and must stay within 3 metres of your vehicle. They are used as a drop-off and pick-up area.

NO STOPPING ZONES

You cannot stop in a No Stopping zone for any reason.

BUS ZONES

You cannot stop in a Bus Zone for any reason.

PEDESTRIAN CROSSINGS

You must not park on or too close to a pedestrian crossing.

MOBILE PHONES

It is illegal to use mobile phones while driving and the penalty for doing so in a school zone is substantial.

BUSES

Slow down to 40 when bus lights flash.

Children can be unpredictable, so expect the unexpected. Rules and parking signs are in place with children's safety in mind. Significant penalties apply for committing an offence in a school zone.

Why not reduce traffic and improve road safety around your school, as well as avoid the risk of a fine, and try walking all or some of the way to school?

Dear Parents,

Sydney Academy of Chess is considering running chess coaching at your son/daughters school, North Sydney Demonstration School, on a Tuesday or Wednesday morning from 8:00am – 8:50am.

Chess is a valuable activity for children, developing their logical thinking skills, concentration and discipline, as well as being a source of much enjoyment! What a great way to combine learning and fun!

These classes begin with an interactive lecture by one of our experienced coaches. During the second half of the lesson, children play games against each other, putting newly learned strategies into practice. As the term progresses and the children become proficient in all the basics, the lectures will move on to more complex ideas such as strategy, middle game ideas and chess technique.

The cost for the coaching is \$10 per lesson per child and there will be 8-10 lessons during each term.

If you are interested in your child taking part in this activity, please fill in the form below and email us at enrol@sydneyacademyofchess.com.au or hand it in to the school office, indicating your available day(s).

Thanks and regards,

Sydney Academy of Chess

To ensure we offer the best possible care at JAFFA all our volunteers are trained appropriately and adhere to the Safe Ministry requirements of the Anglican Diocese.
