## Week 1 – Friday 26 July 2019

Welcome back to Term 3. The term is jam packed with educational adventures for all. Students in Years 3 – 6 are looking forward to camp and K-2 are getting excited about having their very own disco later in the term. Rehearsals are continuing for our upcoming musical – Annie Jnr. Teachers have been hard at working planning engaging activities that will move every child along in their own learning journey. We look forward to sharing this and more with you in Term 3.

### External Validation

NSW public schools are committed to the pursuit of excellence and the provision of high quality educational opportunities for each and every child. [The School Excellence Framework](#) (SEF), supports all NSW public schools in their pursuit of excellence by providing a clear description of the key elements of high quality practice across the three domains of learning, teaching and leading. Each year, schools assess their practices against the Framework to inform their school plans and annual school reports. The description of excellence in the Framework supports schools as they engage their communities in the development of a shared vision, the identification of strategic priorities, and the ongoing tracking of progress towards them. Schools undergo an external validation of the evidence of their school self-assessment once every five-year cycle. Schools engage in discussions with an external panel and have their self-assessments validated. The panel, comprising of a Principal School Leadership (PSL) and a peer principal, meet with the school leadership team and determine whether the school's evidence supports their self-assessment using each element of the SEF. For each element a school will be validated as achieving at one of three levels: **Delivering, Sustaining and growing or Excelling**. This week, executive from North Sydney Demonstration School met with an external panel to discuss our self-assessment of the school's practices and the evidence that supported this assessment. We are proud to report that the school has been validated as achieving at the top two levels in all areas of the school excellence framework.

NAIDOC Week celebrations were held across Australia during the school holidays as a shared celebration of the history, culture and achievements of Aboriginal and Torres Strait Islander people. We began our NAIDOC Week celebrations at the Dem with students learning about the significance of Aboriginal history and culture in their classrooms and at special NAIDOC themed assemblies.

Our students have also been participating in an incredible Virtual Reality (VR) workshop featuring the Pamagirri Aboriginal group. During the VR workshop, students have been transported into a full 360-degree view of a Far North Queensland rainforest, where they have been highly engaged in interactive educational games about bush tucker and hunting, while also viewing amazing CGI video representing the Dreamtime.

All classes will have participated in the workshop by the end of next week.

### Education Week at the Dem

During the week commencing 5 August, the Dem is looking forward to celebrating Education Week.

On **Monday 5 August from 9:30 am to 10:30am**, all parents, grandparents and carers are invited to attend our open classroom celebration. During this session, carers can enjoy learning side by side with their child or hear first-hand about their child's learning successes in 2019.

Also on **Monday 5 August from 8:30am to 3:30pm**, the Library will be hosting Donate-A-Book. Parents are invited to visit the Library at any time during the day to view books on offer and purchase a new book as a donation to the school. # LIBRARY NEWS

## DONATE A BOOK FAIR – Monday 5 August

On Public Education day (Monday 5 August) the library will be hosting a DONATE A BOOK fair to donate a BRAND NEW BOOK to the school library. The Library will have a wide range of appropriate and interesting books on display. Families are invited to choose, pay for and DONATE a book to the library in their child/children's name/s.

Prices of books available to donate will range from \$15.00 to \$60.00.  
Opening times 8.30am to 3.30pm

The books you donate will become part of our library collection with a donation sticker acknowledging your child or family's kind donation. Your child will be the first person to borrow the book....which will then be borrowed and enjoyed by others over the years to come. Children LOVE the feeling of "owning" their own book in our marvellous library and enjoy sharing what a parent/caregiver has purchased for the school. It is a great investment in your child's literacy.

No pre loved donations please.

### How does it work?

1. A local book shop will have a range of books to choose from here in our library
2. Select a book from the books displayed
3. Pay by cash or credit card
4. A donation sticker inscribed with your child's name will be placed in the front.
5. The library will accession the book (one to two weeks)
6. YOUR CHILD WILL BE THE FIRST TO BORROW IT

Look forward to seeing you in the library.

## FOUNDATIONS FOR BUILDING A HEALTHY BRAIN STARTS IN CHILDHOOD

Childhood is a time of immense social and intellectual development. Ensuring healthy brain and nervous system development in this vital stage of life can set the stage for healthy cognitive function, memory and learning well into adulthood.

Issues with brain function and learning during childhood can lead to long-term social, psychological and behavioural problems. If your child suffers from learning, behavioural and developmental issues such as ADHD, or is on the autism spectrum, Tiaan Bennett can help.
